

Changing your Google Password

1. Log into your google email.

← Password

Choose a strong password and don't reuse it for other accounts. Learn more

Deleting your password will sign you out of all your devices, including your phone. You will also need to re-enter your password on all your devices.

New password  

Password strength

Use at least 8 characters. Don't use a password from another site, or something you know like your pet's name. Why?

Old password
