Key Questions: (Please have someone ready to discuss the details of each question during the Finance & Operations meeting or this proposal might not be advanced for consideration by the full Board of Education):

1. **What specific service will the contractor provide:**
 - a. **The vendor(s) will provide direct commodities based on the USDA program. NHPS-Food Service utilizes this program to receive USDA pricing on food product directly from the distributor. With this program, quantities are limited.**

2. How was the contractor selected? Quotes? RFP? Sealed Bid or Sole Source? **Please describe the selection process including other sources considered and the rationale for selecting this method of selection:**
 - a. The vendor was selected via a request for proposal (RFP) process, based on the award criteria set forth in the solicitation.
3. If this is a renewal with a current vendor, has the vendor's performance been satisfactory under the existing contract or agreement?
 - a. This is not applicable as this is a new award.
4. If this Contract/Agreement is a Renewal has cost increased? If yes, by how much?
 - a. This is not applicable as this is a new award.
5. If this Contractor is New has cost for service increased from previous years? If yes, by how much?
 - a. Vendor(s) are evaluated throughout the school year based on product sensory (food evaluation) delivery expectations, customers service, and other criteria set at the beginning of the school year.
 - b. Food cost has increased from an overall pricing standpoint, especially due to the pandemic.
 - c. The contractor(s) have been used in prior years with no issues.
6. Is this a service existing staff could provide? Why or why not?
 - a. No. The Central Kitchen does not have the staffing capacity to create Bread and Bakery products, and delivery to each school.
