Minutes

1. Call to Order
2. Food Allergy Policy Update
Conversation held regarding food allergies and problems of practice. Communication checklist was discussed as a potential mechanism to fill in procedural gaps as it relates to following procedures to address life threatening allergies. The team discussed identifying problems of practice across different stakeholders group to bring back for the final development of a communication plan to share.
3. Review required policy completion - Deferred for discussion for life threatening allergies
4. Code of Conduct update: Deferred to November 18, meeting
5. Adjournment
