EXHIBIT B

STUDENT DATA PRIVACY AGREEMENT SPECIAL TERMS AND CONDITIONS

For the purposes of this Exhibit B "directory information," "de-identified student information," "school purposes," "student information," "student records," "student-generated content," and "targeted advertising" shall be as defined by Conn. Gen. Stat. § 10-234aa.

1. All student records, student information, and student-generated content (collectively, "student data") provided or accessed pursuant this Agreement or any other services agreement between the Parties are not the property of, or under the control of, the Contractor.
2. The Board shall have access to and the ability to delete student data in the possession of the Contractor except in instances where such data is (A) otherwise prohibited from deletion or required to be retained under state or federal law, or (B) stored as a copy as part of a disaster recovery storage system and that is (i) inaccessible to the public, and (ii) unable to be used in the normal course of business by the Contractor. The Board may request the deletion of any such student information, student records or student-generated content if such copy has been used by the operator to repopulate accessible data following a disaster recovery. The Board may request the deletion of student data by the contractor within two (2) business days of receiving such a request and provide to the Board confirmation via electronic mail that the student data has been deleted in accordance with the request, the date of its deletion, and the manner in which it has been deleted. The confirmation shall contain a written assurance from the Contractor that proper disposal of the data has occurred in order to prevent the unauthorized access or use of student data and that deletion has occurred in accordance with industry standards/practices/protocols.
3. The Contractor shall not use student data for any purposes other than those authorized pursuant to this Agreement.
4. A student, parent or legal guardian of a student may review personally identifiable information contained in student data and correct any erroneous information, if any, in such student data. If the Contractor receives a request to review student data in the Contractor's possession directly from a student, parent, or guardian, the Contractor agrees to refer that individual to the Board and to notify the Board within two (2) business days of receiving such a request. The Contractor agrees to work cooperatively with the Board to permit a student, parent, or guardian to review personally identifiable information in student data that has been shared with the Contractor, and correct any erroneous information therein.

5. The Contractor shall take actions designed to ensure the security and confidentiality of student data.
6. The Contractor will notify the Board, in accordance with Conn. Gen. Stat. § 10-234dd, when there has been an unauthorized release, disclosure or acquisition of student data. Such notification will include the following steps:

Upon discovery by the Contractor of a breach of student data, the Contractor shall conduct an investigation and restore the integrity of its data systems and, without unreasonable delay, but not more than thirty (30) days after such discovery, shall provide the Board with a more detailed notice of the breach, including but not limited to the date and time of the breach; name(s) of the student(s) whose student data was released, disclosed or acquired; nature of and extent of the breach; and measures taken to ensure that such a breach does not occur in the future.

7. Student data shall not be retained or available to the Contractor upon expiration of the contract between the Contractor and Board, except a student, parent or legal guardian of a student may choose independently to establish or maintain an electronic account with the Contractor after the expiration of such contract for the purpose of storing student- generated content.
8. The Contractor and Board shall each ensure their own compliance with the Family Educational Rights and Privacy Act of 1974, 20 U.S.C. § 1232g, as amended from time to time.
9. The Contractor acknowledges and agrees to comply with the above and all other applicable aspects of Connecticut's Student Data Privacy law according to Connecticut General Statutes §§ 10-234aa through 10-234dd.
10. The Parties agree that this Agreement controls over any inconsistent terms or conditions contained within any other agreement entered into by the Parties concerning student data.

Monk Center Talented and Creative Youth Summer Program Proposal 2023

The Monk Center will provide a five-week performing arts and STEM summer program for up to 50 students, Monday through Friday, 8:30 am.- 3:00pm. 40 of 50 seats will be reserved for NHPS students. Emphasis will be on the introduction to and learning of Old School R&B, music from stage and film, jazz, and gospel music.

These services will be provided at a cost of \$6.00 per student per hour @ 6.5 hrs. per day =\$39.00 per day/per child. This is less than a \$1.00 per hr. increase per child over last year's contract. The cost includes salaries, supplies etc.

Students will also learn various genres of dance including ballet, HBCU Style Dance, and Hip Hop. As a culminating activity, students will participate in a stage performance where they will perform for family, friends, and the community. At the recital, all musical selections will be performed with a live band.

There will also be time for outdoor, unstructured, and structured play. Students will play softball, participate in sack races, and enjoy various outdoor games. Students will go on family field trips (parents and siblings are always invited) and all participants will be awarded trophies at summer's end.

Additional Activities:

Human Anatomy and Physiology:

Students will learn about the human body and its various functions. Using play and technology as teaching and learning mediums, students will explore the various systems, the proper functioning of such systems, disease and treatment.

Pre-engineering and Coding:

Students will use various building sets and STEM toys such as, Think Fun Gravity Maze, Lego Chain Reaction, Magnetic Balls and Rods, Dominoes, and various coding robots to encourage critical thinking and creative problem solving.

Literacy and Video Production:

Students will participate in book clubs and will re-write all or portions of books for adaptation to film.
