Dear Parent/Guardian:

As you may know, individuals 16 years of age and older are now able to get a COVID-19 vaccine. The New Haven Health Department is partnering with the New Haven Board of Education to offer students the opportunity to get a COVID-19 vaccine.

Vaccination clinics will be held Monday, April 12 to Friday, April 16 from 10:30 a.m. to 4:00 p.m. at Career High School (140 Legion Avenue). Vaccination will be offered by appointment only. Children under 18 years of age must have parental/guardian consent to be vaccinated. Consent forms will be available at the clinic. To schedule an appointment for your child, please call 877-918-2224 between 8:00 a.m. and 8:00 p.m.

Sincerely,
