

Summer of Fun 2021!

Superintendent's Summer of Fun Fitness + Reading Challenge Continues...

TUESDAY, JULY 13TH, 2021, AT 4:00PM

We will all meet at Scantlebury Park, 139 Ashmun St, New Haven, CT. Then, we'll walk briefly to The Farmington Canal Greenway that leads to the William Lanson Statue. We will discuss Lanson's impact on New Haven, encouraging students, families, staff, and community members to read and learn more about his contributions to the city. This will be followed by a 2-mile walk on the Farmington Canal.

Join the fun, join the challenge, join the learning.
