Make History Your Superpower

**3 SATURDAYS, FEB 19, FEB 26, MAR 5, 10-11:15AM
OPEN TO STUDENTS GRADES 8-12**

REGISTER

Meet Yale historians, learn how the past was shaped, and learn how this affects the world you live in. Over three Saturdays, you will have a chance to explore a variety of history topics ranging from the potato, Brazilian dictators, Rome's first African emperor, medicine and the slave trade, the uprising in Ukraine just seven years ago, and the American Revolution - brought to you by experts who can bring the past alive and teach you to use it to change your future.
