TUESDAY, NOV 10TH AND THURSDAY, NOV 12TH

@ 130 ORCHARD STREET, NEW HAVEN

CLICK [HERE](#) TO SIGN UP!

ATTEND: Children consistently attending school and participating in learning, will likely achieve success academically. Let NHPS know if you have situations that make it difficult for your student to attend and participate.

CONNECT: Support with technology, such as computers, reliable internet service and help with getting started, is available for students and families to connect to learning, especially when students are not attending school. Let NHPS know if you need help with technology support.

ENGAGE: Our students do better when we engage families, students, teachers and community partners in ways that are caring, supportive, and culturally relevant. Let NHPS know if you would like to join us in conversations about how to strengthen our schools and community to effectively engage students and families.
