

Messages of Gratitude and Inspiration!

Submit by: June 11th

Raffle: June 14th

<p>What:</p>	<p>Invitation for parents and caregivers to submit photos or stories of gratitude and inspiration as we close out the 2020-2021 school year.</p>	
<p>Significance:</p>	<p>We all recognize that the year has been a challenge that none of us could have imagined. Despite all that we have experienced, there were so many people working to support others. As we know, it takes continued efforts with families, caregivers, students, community members, and NHPS to connect and support each other. While we all may be in different places as the end of the school year approaches, we can all join virtual hands and share our stories.</p> <p>As a community, we can acknowledge and honor those that have made a difference this year.</p>	
<p>Actions:</p>	<p>Using the padlet found here:</p> <p>Find the column representing the person or people you want to acknowledge. You can make it anonymous, or put your name and email on the comment you share.</p>	
<p>Raffle:</p>	<p>If you include your name, and email in the document listed below you will be entered into a raffle. Google Doc to enter names and email information here.</p>	
<p>Another Option:</p>	<p>If you like, we would also like to see photos of the wonderful activities and examples of wellness during the 2020-2021 year. You can upload and share into the folder found HERE. If photos are included, you are giving us permission to use them for future publications. Please only add photos you have permission to share.</p> <p>If you prefer, you can email the your positive stories or photos to: monica.abbott@new-haven.k12.ct.us</p>
