Introduction to BoardDocs: A Guide for Public Access

We are excited to introduce BoardDocs, a new software platform that will serve as the repository for all NHPS Board meeting related documents, including, agendas, minutes, policies and action items. BoardDocs is a comprehensive software designed to promote transparency, and ease of access to board and district related information for the public. Whether you are a member of the community, stakeholder or simply interested in the workings of a board, BoardDocs empowers you to find and engage with the information you need effectively. This guide will walk you through navigating the homepage, accessing featured meetings, selecting specific committees, and searching within BoardDocs.

Homepage Overview

Upon successfully landing on the NHPS BoardDocs homepage. This displays the introduction to our Board and Committees including any featured meetings either upcoming or recently past, events and goal tracking will also be in this area.
