

## **Communications Frequently Asked Questions**

### **Where can I get information about the district and my school?**

There are a number of ways parents can access information about the district, schools, upcoming events, and other resources. Some of them include:

The district website – [www.nhps.net](http://www.nhps.net)

The parent leaders website – [www.nhpsparents.net](http://www.nhpsparents.net)

Parent University – [www.punh.org](http://www.punh.org)

New Haven Promise – [www.newhavenpromise.org](http://www.newhavenpromise.org)

You can also get information at your school or Central Offices at 54 Meadow Street. To reach Central Office, call 203-946-8888.

### **How do I hear about snow days and/or emergency closings?**

School delays and cancellations are posted on television, radio and news websites, including WFSB 3, WVIT (NBC) 30, WTNH 8, Fox 61 and local radio. You will also receive a phone message via ParentLink, our parent communication system. If your phone number changes during the school year, please update with Registration and with your school by calling each separately.

### **How do I register my best phone number or contact method for ParentLink?**

It is VERY important for you to keep us up to date with your latest telephone numbers. Contact the school and the district.
